DENISE & BREA

Denise and Brea are going to get caught if they're not more careful. But they can't help themselves. They love dressing in skimpy bikinis and having a playful poolside romp. As always, it turns physical with the girls taking out their favorite dildos and humping each other feverishly until they both cum. It's the first of many orgasms the girls will share, as they grow bolder – and wetter – by the minute. Ladies, nobody enjoys watching you play more than we do, but you're going to get kicked out of the public swimming pool if you don't calm down! It's the third time this week!

DORM ROOM CONFIDENTIAL

Jessie's

I have been having this queasy feeling in the pit of my stomach every time I'm around someone I like." I say to Jeremy. I was only telling him this because I've known him since high school. I trust him enough to tell him anything I might be having problems with. Besides, he knows my parents perfectly well and I have a class with him. "My nipples harden every time I think of sex and my whole body gets goosebumps. Just like it's getting them now."

"It's perfectly normal," he says looking directly at me. Jeremy is a senior and I'm just a sophomore. He's always been nice to me and I've looked at him like a big brother. He dated my last year's roommate for a while. But now we're here in his room and I watch him as his eyes take in my arms, legs, chest. I looked at his brown-hazel eyes, noticing how round they are. The round chin makes him look so much better and those peachy, puffy lips of his are to die for. "I almost had sex with someone once. But it was more because he kept insisting and me, having no power of will, almost submitted to that guy's (ex boyfriend) constant groping." I said.

I quickly notice how intently Jeremy was looking at me. My breathing was becoming too erratic; too uneven. I was having a panic attack. Immediately, he notices this. I look at the door to see if it was open but I remembered that I had locked it and pulled down the blinds when I came into his dorm room earlier. He grabs my hand and brings me in for a hug. My arms lay flat on his hard, yet comfortable chest as I lay my head there. "You'll be okay. It'll pass,"

he says trying to comfort me. But it wouldn't pass. At least not until I got what I needed.

He holds the back of my head and takes in a deep breath, kissing the top of my head. I cried for a bit as he kept comforting me. I was about to pull away, feeling better, when I noticed something quite odd. With his free hand, he was making small circles on the uncovered part of my neck and he was caressing my hair with the other one. It

felt nice. I couldn't deny that. Heck, it felt amazing but that wasn't the only thing I felt, though. I felt something poking my belly. Something hard but soft at the same time. I quickly pulled away from him after that, blushing uncontrollably. I grabbed my purse quickly, forgetting my jacket in the process, and left.

My phone begins to go off as soon as I was as far away as I could get from his dorm. I take my phone out and set it to silent mode, already knowing who it is. I go into my dorm. I had decided to just skip the whole school day. It wouldn't affect my record, so it was okay. I lay down on the sofa, looking up at the ceiling in the process. Just remembering what happened made me tingle with arousal all over. My whole body felt weird, like jelly. Without knowing it, my hand had slipped down into my shorts as well as my panties. I was wet – really, wet. I let my middle finger stimulate my clit. It felt good, real good. I sighed as it began to tickle but the sense of pleasure was still there. The small nub grew a bit bigger, making me gasp as I stimulated it. It was sending small shocks of ecstasy all over me.

I imagined Jeremy on top of me, or at least his hands, were touching me. I imagined his long, nimble finger was doing what I was doing to my little clit, bringing me closer and closer to cumming. I moaned again. I kept flicking my clit faster and faster. I shrieked, knowing how close I was to having my orgasm. I wet my finger several more times so I had better access to my small, hard nub. That's when I started to tingle all over with pleasure. My back started to arch and my legs began to twitch. Out of pure instinct, I closed my eyes and arched my back, spreading my legs out further as I felt my orgasm hit me like a big tidal wave of ecstasy. I felt sticky and tired, but I was still horny, though.

A few hours later, by the time school was over, I'm up in my bathroom taking a shower when all of a sudden the doorbell rings. I grabbed the towel and quickly wrapped it around my body and headed to open the door. I took a deep, nervous breath as I saw who it was. "What do you want, Jeremy?" I ask. He walks by me and into the living room without asking or saying a word.

"I want to give you something. You forgot your jacket," he says. "I know," chewing on my lower lip. There was a mischief in his eyes that didn't show in his face. "Here," he pushed it forward and handed it to me. I reach for it. "Thank you," I say. "I guess I should go," he starts.

"Yeah, you really should." I purse my lips and look down at the floor. Then I hear him say, "Jessie, you should really learn how to deal with things – now." he said with a smirk on his face. I knew right there and then that he wanted to. I walked closer towards him and flirted right back. "Come here, you," he whispers, grabbing me and leaning down as though to kiss me. I have been way too horny lately and I knew this couldn't be stopped. Even if we both wanted to. His lips came closer to mine and just when I thought he'd kiss me, he grabbed my waist and turned me around. That made my towel loosen up a bit so I had to hold it in place. His hands made their way down to my legs as he holds me around the waist.

I felt a cool breeze hit my ass cheeks and then the breeze crossed my legs. I wondered what he was doing. He kept touching all the naked parts of me, including my firm butt. Whatever he was doing made me throb with arousal. It made my nipples sensitive and vulnerable to anything that might brush against them. Right then, cold air hit my breast followed by his cold hands. I felt my nipples being pinched by his fingers. He pinched them, squeezed them, rolled them. His soft wet kisses traveled down along my neck as his tongue licked wherever it could. I placed my hand on the back of his head. I could feel his cock in between my ass cheeks. I push back against him grinding my ass against it. It felt quite hard. It also felt quite big. I felt it twitching as I kept grinding myself against it. All of a sud-

den my towel was yanked completely away and his fingers started probing my private areas. I was very aware of what he was doing to me. I moaned as he touched my sensitive clit and it felt really, really good.

He took me over to the sofa and laid me on it and he slowly licked his way past my stomach to my mound. I yelped as soon as I felt his tongue part my pussy lips. His tongue found my clit, just below where I usually play with it. One hand moves up to touch my nipple. My whole body fired up like never before. My back arched up as I threw my head back. I moaned very loudly, holding the back of his head.

Then Jeremy got on top of me, straddling my body, and kissing me hard on the lips. He tasted of me and it only increased my ardor. I'm completely naked, just out from my shower, so I began to remove his clothes as fast as I could. I pull down his zipper cautiously because I noticed

the big bulge in his pants. I felt it pulse so I reached into his pants and boxers. I grabbed his cock hard and pulled it out. It was long and beautiful with a reddish-purple head. Perfectly straight, hard and soft with bulging veins standing out. His balls were large and clung perfectly close to his cock. I wrapped my hand around the base of his shaft and squeezed. Slowly I pulled my hand up and shoved it back down, stroking him tightly.

I pulled down his pants and his cock sprang out. I rubbed the head and lowered my lips to it. I licked that little hole that was at the top his cock and then under the crown and all around the head. What I really enjoyed was the musty smell of his cock and the salty taste of his skin. I rubbed it against my cheeks while looking up at him. But before

I did anything, he grabbed the back of my head, leaned down and placed his soft, puffy lips against mine. His hands roamed down to my boobs and squeezed. I proceed to give him a peck on the lips before crouching to take his cock into my mouth. At first I started out sucking slowly, but then I did it a bit faster since his constant grunting and hair grabbing told me he liked. I licked as much of it as I could and took in as much of it as I could.

I reached behind and gripped his ass with both hands to pull his cock deeper into my throat. I opened my mouth as wide as I could to try to make it easier. He started grunting louder and louder until he buried his cock in my mouth and a warm, gooey, sweet liquid spilled into me. He gave a few more thrusts before pulling out to let me breathe. Then I sat back on the couch dragging him along with me. He paused slightly to remove his pants and boxer before getting on top of me as I lay down with my head on the arm rest. He reached down to grab his cock as I spread my legs for him. My pussy kept clamping down on his cock as he entered me. He kept slowly penetrating me until all of him was inside of me. His cock filled my vagina and it felt so damn good.

Jeremy placed his hands under my knees and raised my legs a little so that he could get on his knees. My pussy walls clamped down on his cock again as he kept thrusting in and out of me. His breathing was becoming heavy and his thrusting a bit faster. He leaned down again and let go of my legs. I positioned them at either side of him and felt him pumping faster and faster. Soon I felt my whole body getting hot and my pelvis getting in sync with his thrusting. I felt his cock thrusting deep into me every single second. I moaned loud as my body tingled with excitement and pleasure. I liked the way he pushed forward as fast and as hard as he could. All of this put together made me shudder with wave after wave of pleasure and ecstasy.

I enjoyed every second that Jeremy spent with me and every single thing that he was doing to me. I enjoyed his big cock, his passionate kisses, and the way he was fucking me without stopping. I loved the feeling it was producing deep inside of me. Again I moaned out loud. My whole body was on fire. I dug my nails into his skin before I felt my pussy tightening around his cock. I buried my head on his chest once again as I climaxed once again.

As soon as I stopped cumming, he started but he didn't stop his thrusting. He just kept on going hard and fast, grunting all the way, until he was done spurting his seed into me. We both hung on to each other, letting our breathing slow down before he so carefully pulled out and backed off me.

I composed myself and collected his clothes and told him to get dressed. I grabbed my towel and headed back for another shower.

EVA & BREE

Okay, we'll admit it. We're star struck. Okay, we're superstar struck with Eva and Bree at the house. We had the swimming pool cleaned and went out and bought some big bright pool towels. That's when they let us stick around and watch some of the shoot. All the way up until the double dong came out. Then we had to go. But that didn't stop us. Got out the high powered binocs and watched them go at it, anyway. Problem was, the lenses kept fogging up!

RIHANNA

A real cutie with the sexual appetite of a horny bunny. Hate her. Love her. She loves it when guys cum on her butt. "It's okay when they cum inside me, but to watch that milkie sptloogie cum out of the tip of a hard cock right onto my ass, WOW! how exciting is that. I get to watch a rare event that I was the cause of." That's an interesting way to think about what we guys do. Now how can you not love someone who thinks so deeply about our cum.

CHRISTINA

It wasn't until I got to college that I became a party girl. And that was in my sophomore year. I was a geek with long hair and glasses. I knew I had a nice body, but I didn't have anyone to share it with. Then my roomie took me shopping at all these alternative stores and I think I found my niche. I love my look and now have great confidence in my sexiness. All the boys are all into me and I like that.
